

# DK10.23.927.07

9.7W / 2700K / 35° / IP44

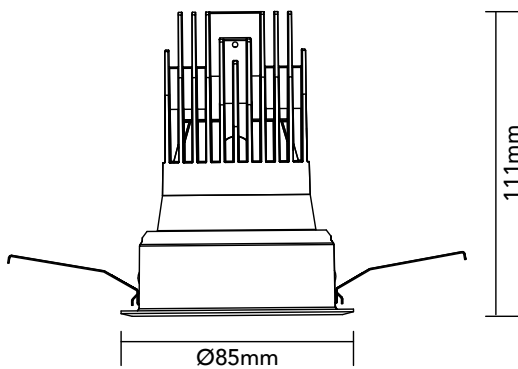

## Frame Colour Options

- White
- Black

## Baffle Colour Options

- Matte White
- Metallic Chrome
- Metallic Gold
- Metallic Black
- Matte Black

## Key Specifications

|                    |                        |
|--------------------|------------------------|
| Shape              | Round                  |
| Frame Type         | Trim                   |
| Engine Orientation | Adjustable             |
| Lamp Type          | LED                    |
| System Power       | 9.7 W                  |
| Colour Temperature | 2700 K                 |
| Lumen Output       | 695 lm                 |
| CRI                | >90 Ra                 |
| Beam Angle         | 35°                    |
| Warranty           | SEVEN (7) year limited |

## LED

|                    |                       |
|--------------------|-----------------------|
| Model              | Citizen CLU701-1002C4 |
| Colour Temperature | 2700 K                |
| SDCM               | <3                    |
| Rated Lifespan     | >100000 hours (L70)   |

## Physical

|            |                              |
|------------|------------------------------|
| Body Shell | Aluminium 6063               |
| Frame      | Aluminium 6063               |
| Baffle     | Powder Coated / UV Processed |
| Optics     | PMMA Lens                    |
| Filter     | Honeycomb Louvre (Optional)  |
| Net Weight | 0.17 kg                      |

## Environmental

|                          |               |
|--------------------------|---------------|
| Installation Environment | Ceiling       |
| Mounting                 | Recessed      |
| Operating Temperature    | -20° to 40°C  |
| Humidity                 | 10% to 90% RH |
| IP Rating                | IP44          |

## Power Supplies

|                     |                   |
|---------------------|-------------------|
| Input Current       | 200 mA            |
| Input Voltage       | AC220-240 V       |
| Model On/Off        | Tridonic 87500800 |
| Model TRIAC Dimming | Philips Xitanium  |
| Model 0-10V Dimming | LiFud AAA012      |
| Model DALI Dimming  | LiFud AAD012      |
