

# DK30.24.940.13

29.8W / 4000K / 47° / IP54

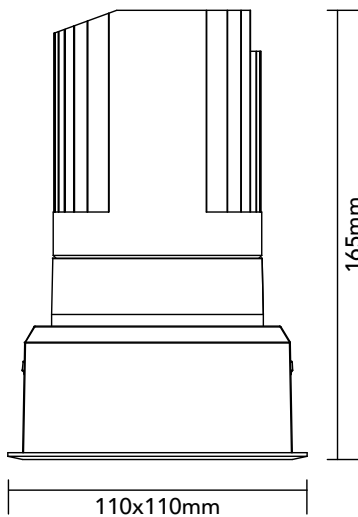

## Frame Colour Options

- White
- Black

## Baffle Colour Options

- Matte White
- Metallic Chrome
- Metallic Gold
- Metallic Black
- Matte Black

100x100mm

## Key Specifications

|                    |                        |
|--------------------|------------------------|
| Shape              | Square                 |
| Frame Type         | Trim                   |
| Engine Orientation | Adjustable             |
| Lamp Type          | LED                    |
| System Power       | 29.8 W                 |
| Colour Temperature | 4000 K                 |
| Lumen Output       | 2770 lm                |
| CRI                | >90 Ra                 |
| Beam Angle         | 47°                    |
| Warranty           | SEVEN (7) year limited |

## LED

|                    |                       |
|--------------------|-----------------------|
| Model              | Citizen CLU028-1204C4 |
| Colour Temperature | 4000 K                |
| SDCM               | <3                    |
| Rated Lifespan     | >100000 hours (L70)   |

## Physical

|            |                              |
|------------|------------------------------|
| Body Shell | Aluminium 6063               |
| Frame      | Aluminium 6063               |
| Baffle     | Powder Coated / UV Processed |
| Optics     | PMMA Lens                    |
| Filter     | Honeycomb Louvre (Optional)  |
| Net Weight | 0.76 kg                      |

## Environmental

|                          |               |
|--------------------------|---------------|
| Installation Environment | Ceiling       |
| Mounting                 | Recessed      |
| Operating Temperature    | -20° to 40°C  |
| Humidity                 | 10% to 90% RH |
| IP Rating                | IP54          |

## Power Supplies

|                     |                   |
|---------------------|-------------------|
| Input Current       | 500 mA            |
| Input Voltage       | AC220-240 V       |
| Model On/Off        | Tridonic 87500863 |
| Model TRIAC Dimming | Philips Xitanium  |
| Model 0-10V Dimming | LiFud AAA020      |
| Model DALI Dimming  | LiFud AAD020      |
